INFORMATION FOR SENIORS – SPRING 2020

Following are some items which might be of interest to all of us who find we now have some time that we didn't have when we were working or taking care of families, or both.

Explore volunteer opportunities. There will be a Volunteer Fair on Thursday, April 2 from 3 to 7 p.m. at the Hunterdon County Administration Complex, 314 Route 12, Flemington. There are many volunteer opportunities of all types, as over 20 organizations will be represented.

Learn more about Hunterdon County. Visit the Hiram Deats Memorial Research Library which is open each Thursday 10-4 and the 4th Saturday of each month from 10-4. This library contains the most extensive collection of Hunterdon County artifacts: books, maps, photographs, etc. in the area. The Hunterdon County Historical Society is located at 114 Main Street, Flemington, and it also operates the Doric House Museum in Flemington.

Puzzle Swap Collection: Bring a puzzle, take a puzzle. Bring in a complete puzzle, in good condition, to the Upper Level of the North County Branch Library in Clinton and exchange it for another one.

The Hunterdon County Library Bookmobile visits Bloomsbury on Thursdays from 1:45 to 3:45 at the Bloomsbury Fire House, 80 Main Street.

It's tax return time. The United Way of Hunterdon County will provide FREE tax preparation for families and people who are of low to moderate income, seniors (60 plus), persons with disabilities and limited English-speaking taxpayers. And your tax return will be prepared by a volunteer who has been certified by the IRS. Please call 1 877 652-1148 to schedule an appointment at a site near you.

Explore some of these places with a friend or go alone and meet some new ones. Enjoy.

Respectfully submitted,

Ann Kolakowski

Letter from the Mayor:

Hello Bloomsbury 2020 - First I'd like to thank all of you for your votes for this position.

If you missed it, we had a great night for the "Burning of the Greens" Bonfire at Tuxhorn Park. All that attended were warmed by the roar of the fire and the hot cocoa. Thank you to the Bloomsbury Hose Co., without them it would not have happened. We will try to do this again next year.

Plans for this year: Fixing the water issue on Main St. between Wilson and Gardner Streets including drains and curbs. On the list for repairs: Brunswick, School St., Willow/Milford and Musky Drive- In no order or on a timeline, bear with us. We also are looking into a new truck (ours now/20 yrs. Old). So far, with the mild winter we have saved some money to use for some of these repairs.

The hole on East St. is 80% fixed (look, no barricades), it still needs blacktop. This area will still need work in the future.

Clean up Day has been moved to a hopefully cooler day, Saturday, September 26th, 8 -11am. You're welcome.

No news on the Dam removal or on the 579 Railroad Bridge replacement. Hopefully the 173 bridge will soon be open.

Also, our new pavilion is almost finished with the rebuild after its demise during a windstorm, thank you Lisa for your hard work. It needs grading and seeding.

With a grant I applied for and received we are restructuring the new website, www.bloomsburyborough.com it will soon be finalized. Stay tuned- it will even have a link you can check when recycling is scheduled so you won't need to watch for your neighbor's cans, along with special events, area updates, and newsletters.

Have a happy St. Pats Day and a wonderful Easter,

Mayor Papics
