**Saturday, June 14, 2025**

## **Recycle Coach**

Hunterdon County Division of Solid Waste and Recycling Services has recently joined in the state-wide launch of Recycle Coach, a free app designed to help make recycling and solid waste information more accessible to County residents and engage the public. "Reduce, Reuse, Recycle". The NJ Department of Environmental Protection is the first state to purchase the Recycle Coach app and make it available to all NJ Residents **free** of charge.

Recycle Coach provides accurate, up-to-date information with a click of a button for Hunterdon County's Special Recycling Events for Electronics Recycling, Hazardous Waste Clean-up Days, and other special events offered by the County. Hunterdon County's 26 municipalities have also been asked to join in on the venture and share their curbside pick-up schedules (if their municipality provides those services) and other special recycling/solid waste events they may hold for their residents.

The Recycle Coach App provides personalized collection schedules based on your residence which can also automatically be added to your calendar app. You will also be alerted of any change in recycling schedules to holidays or weather.

View the [Recycle Coach website](#).

## **2025 TROUT SEASON**
